Enroll in Password Station

Please follow these steps to register your account with the Password Station:

1. Navigate to https://fupass.furman.edu in your browser, type in your User ID (network username), and click on the “I Agree”.
2. To reset a forgotten password click on the green question mark icon
3. You will be asked a series of questions to setup for your account. Answer each question, and click the “Continue” button to move through to the reset screen.
4. Once you’ve answered all of your account questions you will be prompted to type in a new password, as well as, confirm it in the dialog box. Once finished click the “Continue” button.
   a. As a reminder your password must meet the following complexity requirements:
      i. Must not contain your user name
      ii. Must contain at least one character from three of the following four categories:
         1. An uppercase character (A through Z)
         2. A lowercase character (a through z)
         3. A number (0 through 9)
         4. A special non-alphanumeric character (i.e. !, $, #, %)
5. After you’ve reset your password you will be presented with the reset results for your account. Click the “Sign out” button to finish.
