Technology Purchases

Information Technology Services is responsible for all Furman purchases and leases of information technology hardware, software, and services. Faculty and staff considering the purchase or lease of information technology should contact the IT Service Center by calling (864) 294-3277, entering an e-request, or emailing service.center@furman.edu.

Campus Computing Purchases

More information about the purchase computers, software, printers and other technology for campus use can be found at the Furman Technology Purchases page. You can also find out more about purchasing technology on our Purchasing FAQ page.

Personal Purchases

Special pricing is available for products from Microsoft, Dell and Apple. Please go to the Personal Technology Purchases page for more information.

You can also find some information about frequently asked questions on our Personal Purchases FAQ page.
