| Printer Management | This service provides for the support and management of University owned printers. | This service is available to Furman faculty, staff and students. Printing for guests is available in the Library. | Contact the IT Service Center (864.294.3277 or service.center@furman.edu) or visit the IT Service Center in the lower level of the Library. | Multi-function device services are available 24x7 when campus is open. The service may be affected by scheduled maintenance on various systems. Repairs and toner pickup/delivery are available Mon-Fri from 8:00 am – 5:00 pm. | - Students – There is no charge for this service for students but there is a paper quota.  
- Faculty and staff – No charge for this service for printers on the replacement cycle. Departments will be charged for toner and repairs for printers not on the replacement cycle.  
- Guests – Printing is available for a fee in the Library. |
