Connect to Wireless - Mac OS

Use this guide when connecting to wireless from a Mac

Step-by-step guide to connect to Furman wireless

1. Click on wireless icon in system tray and select appropriate network (FU-FacStaff or FU-Students) and click **Connect**

   ![Wireless Network Selection](image)

2. Enter your NetID (user name) and password then click **Join**

   ![Password Input Screen](image)

3. If you are a student you may have to register with our **Network Access Control** (NAC) system.
