Connect to Wireless - Windows 10

Use this guide when connecting to wireless for the first time.

Step-by-step guide to connect to Furman wireless

1. Click on wireless icon in system tray and select appropriate network (FU-FacStaff or FU-Students) and click **Connect**.

2. Enter your NetID (username) and password then click **OK**.

3. If this is your first time connecting to this wireless network, click **Connect** to accept the certificate.
4. If you are a student you may have to register with our Network Access Control (NAC) system.
