Connect to Wireless - Windows 7

Use this guide when connecting to wireless from Windows 7

Step-by-step guide to connect to Furman wireless

1. Click on wireless icon in system tray and select appropriate network (FU-FacStaff or FU-Students) and click Connect.

2. Enter your NetID (user name) and password then click OK.

3. If this is your first time connecting to this wireless network, click Connect and accept the certificate.

4. If you are a student you may have to register with our Network Access Control (NAC) system.
